

## JOIN THE CNSA COMMUNICATIONS COMMITTEE!

We are currently seeking members who are interested in assisting with the CNSA.ORG web site and *Range of Motion* newsletter production (NO WRITING REQUIRED).

If you are interested in working to improve communications throughout CNSA, please contact Chris O'Connell, Communications Director at [Commdir@cnsa.org](mailto:Commdir@cnsa.org).

This is a great way to get involved at the state level, improve your skills and have a great time working with other professionals in the field!
