Write a Resolution!

Why should you write a resolution?

- Resolutions help increase awareness, encourage advocacy, and promote recognition of relevant nursing topics that are national in scope.
- Resolutions are essentially position papers that address pertinent issues which direct the priorities of the organization in which it was passed.
- These position papers represent matters of importance to CNSA constituents, members, chapters, nursing and/or health needs of the public.
- This means that YOU can make a difference in the nursing profession.

We are now accepting Resolution Submissions! Be sure to read through ALL of the information on the CNSA website prior to submitting.

Submission Deadline: August 31st, 2021.
