CNSA Networking Session

Join us on Tuesday, August 5th at 5pm for the CNSA Networking Session!

This is a chance to hear from nurses who've been in your shoes. They'll share how they got started, what helped them along the way, and where they are now in their careers. We'll talk about the value of networking as a student, qualities they've seen in strong leaders, and ways to keep growing professionally. You'll also hear about clubs, resources, and experiences that made a difference in their journey. Three nurses from different specialties will join us to answer your questions and offer real-world advice.
