**Resolutions**

## Write a Resolution

With the CNSA October convention quickly approaching, We would like to invite your school to participate in writing a resolution. A resolution is essentially a position paper about a pertinent issue that student writers will present at the annual October CNSA convention in Pomona. The winning position paper at this convention will help direct the policies and actions of the CNSA for the upcoming year.

This is a wonderful opportunity to be involved in the CNSA organization and for nursing students to practice their power to make positive change on a large scale! Additionally, this serves as an excellent resume booster for experiences as a nursing student in a leadership and advocacy role.

The following weblink provides more information on what the resolution process involves: <https://www.cnsa.org/resolutions>

Please do not hesitate to reach out to our Legislative/Resolutions Director, Lexy Deetken at [lexy@cnsa.org](mailto:lexy@cnsa.org) with any questions you may have about the process or would like to get involved!
