# Write a Resolution

## Make a difference in the nursing profession.

- Resolutions are essentially position papers that address pertinent issues which direct the priorities of the organization in which it was passed.
- These position papers represent matters of importance to CNSA constituents, members, chapters, nursing and/or health needs of the public.
- If adopted by the House of Delegates at the Annual Conventions of the National Student Nurses' Association (NSNA) and/or California Nursing Students' Association (CNSA), your resolution will become the basis for the policies and actions of the NSNA and/or the CNSA.
- This means that YOU can make a difference in the nursing profession!
- Your work can bring awareness, recognition, and/or advocacy to your topic!

If you are considering writing and submitting a Resolution this year, we want to help! Please reach out to Jon Calderon, Legislative and Resolution Committee Chair, at [jon@cnsa.org](mailto:jon@cnsa.org) for more information on how to get started.
