# HAPPY PRIDE MONTH

As nursing students, you have chosen a profession that is rooted in compassion, care, and advocacy for all individuals, regardless of their sexual orientation, gender identity, or expression. Pride Month can be a time to reflect on the importance of providing culturally competent care to LGBTQIA+ patients, as well as to examine the unique health disparities they face.

One crucial aspect of nursing education during Pride Month is increasing awareness and knowledge about LGBTQIA+ health issues. This includes understanding the impact of discrimination, stigma, and social determinants of health on the well-being of LGBTQIA+ individuals. It also involves learning about the specific healthcare needs and concerns that may arise within this community, such as mental health disparities, higher rates of substance abuse, and barriers to accessing quality healthcare.

Pride Month is a time of celebration and recognition for the LGBTQIA+ community. As nursing students, it is an opportunity to deepen your understanding of LGBTQIA+ healthcare needs and create an inclusive environment. Embrace diversity and learn about LGBTQIA+ health issues, while challenging biases along the way. Take part in initiatives that support LGBTQIA+ well-being and contribute to a future of high-quality, affirming healthcare for all. Spread empathy, respect, and human dignity as you advocate for equality. Happy Pride Month!

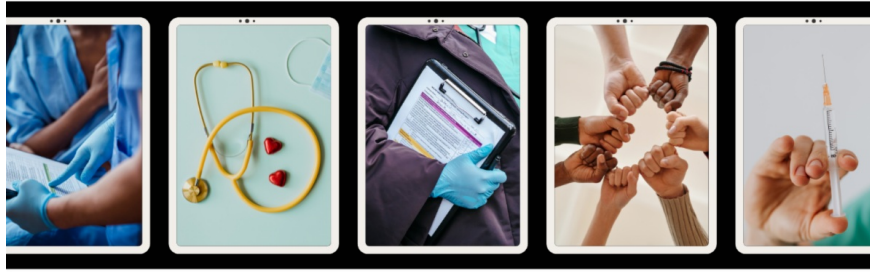

CNSA is excited to offer two webinars with the BRN! Register now to attend Applying to the BRN and the BRN Intervention Program. Click on the links below to register!

# ✦ CNSA BOARD OF DIRECTORS ✦

**2023 - 2024**

We invite you to consider running for a position on the CNSA 2023-2024 Board of Directors. We are looking for individuals who value teamwork, have a strong sense of leadership, and are passionate about serving the Board, our school chapters, and members.

As a CNSA Board Member, you will have opportunities to work with your peers to advance the mission, vision, and values of CNSA, develop your leadership skills, advocate for student nurses and the nursing profession, network with nursing professionals, and build life-long relationships.

To run for the 2023 - 2024 Board of Directors, you must meet the following requirements:

- Be a current NSNA Member
- Complete the Board Nomination/Election Faculty Authorization Form
- Review the Responsibilities of Elected Board Members.
- Provide a statement about what you would like to accomplish during your term.

**Applications will be open August 1st!**

For more information email Clarisse Paul at [clarisse@cnsa.org](mailto:clarisse@cnsa.org).

*Write a  
Resolution*

**Make a difference in the nursing profession.**

- Resolutions are essentially position papers that address pertinent issues which direct the priorities of the organization in which it was passed.
- These position papers represent matters of importance to CNSA constituents, members, chapters, nursing and/or health needs of the public.
- If adopted by the House of Delegates at the Annual Conventions of the National Student Nurses' Association (NSNA) and/or California Nursing Students' Association (CNSA), your resolution will become the basis for the policies and actions of the NSNA and/or the CNSA.
- This means that YOU can make a difference in the nursing profession!
- Your work can bring awareness, recognition, and/or advocacy to your topic!

If you are considering writing and submitting a Resolution this year, we want to help! Please reach out to Jon Calderon, Legislative and Resolution Committee Chair, at [jon@cnsa.org](mailto:jon@cnsa.org) for more information on how to get started.

## [Downloadable Resources](#)
