# Write a Resolution

### Writing a Resolution: Simplified

Prepared by: Joshua Almadin  
Chair of the CNSA Resolutions Committee 2021

Revised: 01/2021 Based on: Guidelines for Planning Resolutions for the NSNA House of Delegates 2020-2021

### **What is a resolution?**

### **How do I write and submit one?**

Resolutions are position papers that when nominated at CNSA Convention, become the basis of policies and actions for CNSA. These papers are drafted by groups of CNSA members who seek to bring awareness to a topic that is national in-scope and represent matters of importance to CNSA constituents, members, chapters, nursing and/or health needs of the public. This means that YOU can make a difference in the nursing profession! If you would like to learn more, please click on the link below to be directed to the CNSA Resolutions Main Webpage where you can find the presentation that will go into more details.

**NADIA DE LOS SANTOS**

**MEMBER OF  
THE MONTH**

AZUSA PACIFIC UNIVERSITY • FEBRUARY 2021

Nadia has taken her new role as President of SNAP (Student Nurses of Azusa Pacific) through COVID-19 very impressively! There are so many things going on with school and changes to the curriculum, and Nadia has shown great resilience and spreads positive vibes to whoever she talks to. She is also involved in organizing many community outreach programs during this pandemic and arranged for various donation drives at Azusa Pacific University for the High Desert Community. Currently, her goal is to turn APU SNAP into NSNA school chapter.

Do you know someone who exhibits CNSA's core values of professionalism, mentorship, leadership, stewardship, advocacy & activism? Following a year of hardship and challenges, we want to recognize our members for their ability to adapt and overcome these challenges. As an organization, we see the need for unity and want to showcase these great individuals we get to call members. Please [Click Here](#) and fill out the form with their achievements and acts of service that you believe they need recognition.

Member of the month will be announced in the third week of each month. After being nominated, this person will be announced on all social media platforms as well as on the Shift Report in the following month. At this year's convention we will compile all of the "Member of the Month's" and pick CNSA's first member of the year which will receive an award/gift.

## **Upcoming Webinars Register Now!**

Do you want to learn how to be better at reading journal articles? Do you enjoy research and want to learn more about how nurses play a part in research? Are you looking to have enriching and fun discussions with other nursing students? Well, we will be doing just that at our journal clubs!

The CNSA Nursing Science Committee is introducing its first monthly journal club. The first topic is - "Treatments for COVID-19" - and the meeting will be held on **March 6th at 6 PM**. Special guest speaker, Jennifer Suhd-Brondstatter, BSN, MAEd, RN, PHN, CCRN, who is an Infection Prevention Coordinator at UC Davis will be joining us for our first journal club. Look forward to more special guest speakers joining us in our future journal clubs!

At the beginning of each journal club, we will be having a short educational portion on research literacy. For the remainder of the meeting, we will be reviewing and discussing an assigned journal article with other members of the club and break down each portion of the article piece-by-piece. By doing so, we hope to accomplish our goal of "promoting science literacy among nursing students, encourage discussions about current topics in nursing science, and promote the image of nurses as scientists."

For those who attend four of our monthly journal clubs, you will be automatically entered into receiving an awesome **raffle prize giveaway** (more details to be announced)!

**Here are the details of the first article of our journal club:**

Article title: Treatment for COVID-19: an overview

Published by: European Journal of Pharmacology on December 15, 2020

Authors: Cristina Stasi, Silvia Fallani, Fabio Voller, and Caterina Silvestri

**In order to be an active participant in our journal clubs, we ask that you come prepared by doing the following:**

1. Read the article "Treatment for COVID-19: An overview" by clicking this [link](#).
2. [Click Here](#) and register for the journal club.
3. Be prepared to share your thoughts, ideas, and have fun during this engaging and interactive meeting!
4. Optional: If you are unfamiliar with research articles or want to brush up on how to read them, click this [link](#) to get access to some helpful resources.
